

### <h3>Set Up Transaction Alerts</h3>

<ol>

<li><strong>Log In:</strong> Use your bank’s online portal or mobile app.</li>

<li><strong>Alerts and Notifications:</strong> Go to the 'Alerts' or 'Notifications' section.</li>

<li><strong>Choose Transaction Alerts:</strong> Select the types of transactions you want to be alerted about, such as large transactions, international transactions, or specific types of transactions.</li>

<li><strong>Confirm Details:</strong> Set your contact preferences and confirm the alert setup.</li>

</ol>
