

### <h3>Set Up Automatic Transfers</h3>

<ol>

<li><strong>Log In:</strong> Access your online banking portal or mobile app.</li>

<li><strong>Automatic Transfers:</strong> Navigate to the 'Transfers' or 'Scheduled Transfers' section.</li>

<li><strong>Set Up Transfer:</strong> Choose the accounts for the transfer (source and destination), set the amount, and specify the frequency (e.g., weekly, monthly).</li>

<li><strong>Confirm:</strong> Review the details and confirm the automatic transfer setup. Monitor the first transfer to ensure it processes correctly.</li>
