

<h3>Transfer Funds Between Accounts</h3>

Log In: Access your banking account online or through the mobile app.

Transfer Funds: Go to the 'Transfer Funds' or 'Internal Transfers' section.

Choose Accounts: Select the source account (from where the money will be transferred) and the destination account (to where the money will go).

Enter Amount: Specify the amount you wish to transfer.

Review and Confirm: Double-check the details and confirm the transfer. The transfer may be instant or take a few business days, depending on your bank's policies.
