

<h3>Set Up Direct Deposit</h3>

Obtain Direct Deposit Form: Get a direct deposit authorization form from your employer or your bank's website.

Provide Bank Details: Fill out the form with your bank's routing number, your account number, and the type of account (checking or savings).

Submit Form: Submit the completed form to your employer's payroll department.

Confirmation: Your employer may take one or two pay cycles to process the request. Monitor your account for the first direct deposit.
