

<h3>Withdraw Funds</h3>

ATM Withdrawal: Visit an ATM, insert your debit card, and enter your PIN. Select 'Withdraw Cash' and choose the account from which you want to withdraw. Enter the amount and confirm the transaction. Collect your cash and receipt.

Bank Teller: Visit your bank branch and fill out a withdrawal slip. Provide the slip and your ID to the teller. The teller will process the withdrawal and give you the cash along with a receipt.

Debit Card: Use your debit card for purchases or cash back at retailers.
