

### <h3>Calculate Interest Earned</h3>

<ol>

<li><strong>Log In:</strong> Access your bank’s online portal or mobile app.</li>

<li><strong>Interest Calculator:</strong> Find the 'Interest Calculator' or 'Interest Earned' section.</li>

<li><strong>Input Details:</strong> Enter the relevant information, such as account balance, interest rate, and period.</li>

<li><strong>View Calculation:</strong> The tool will display the interest earned over the specified period.</li>

</ol>
